

Checking a Scorecard – Four-Ball Stroke Play

There will be two USGA Scoring Officials in the scoring tent.

Each scoring official will work specifically with one side to review the side's scorecard.

Procedure:

- Introduce yourself to the members of the side.
- Explain to the side that you will be working individually with them to thoroughly review their scorecard.
- Ask the players if there are any outstanding Rules questions or issues remaining.
- Allow the sides to exchange scorecards in order to review.
- Check that the hole scores are individually identifiable **for each player**, including any Xs or blanks for a player with no individual score for a hole, and all are legible.
- Confirm the "counting score" for each hole, having the players make any corrections of errors, and **highlight the counting score**.
- Total each nine, confirm the nine-hole totals with the side, and record the nine-hole totals.
- Add the "OUT" and "IN" totals, confirm the total with the side and record the total score.
- Ensure player's certification matches a name on the card. Only one representative of a side needs to certify.
- Ensure marker's certification is present - only one representative of the marker's side needs to certify.
- Record/Add this card's total score to previous round(s) total score in top-right area on the scorecard.
- Exchange the card with the other scoring official for additional review.
- When everything is checked and agreed upon, place your initials in "Scorer" area provided.

OFFICIAL SCORECARD

3rd U.S. WOMEN'S AMATEUR FOUR-BALL CHAMPIONSHIP®

Each score must be clearly identified as the score of the individual partner who made it (Rule 23.2b).
